2012 THE ESTATES CABERNET SAUVIGNON

“The 2012 vintage was as close as we’ve ever seen to a “perfect vintage” - warm but not too hot, with plenty of hang time for the flavors to develop. This is a blend of our best vineyards and displays wonderful cab essence in the nose and on the palate. It’s also the first Estates Cab we’ve produced that was completely unfinned and unfiltered.”

-Winemaker, Joshua Maloney
