Earth, Wind and Vines

Eastern Washington may be remote, windswept and arid, but it's also one of the best places on earth to grow grapes. Our family has worked this land for nearly six decades. Today, we farm our estate vineyards in the Columbia Valley using sustainable methods tailored to our unique terroir. We plant native cover crops to encourage beneficial wildlife and we farm each block independently to guarantee the character and authenticity of our wines.

2013 ANCIENT LAKES RIESLING

ANCIENT LAKES OF THE COLUMBIA VALLEY
Our Evergreen Vineyard is located in the cooler Ancient Lakes of the Columbia Valley AVA. The Ancient Lakes Riesling is made in a dry, refreshing style with notes of juicy peach and lychee fruit, a touch of zesty lime, and an underlying minerality that finishes crisp and clean.
