

### TASTING NOTES

Refreshing and aromatic, this wine shows very nice honey dew fruit, namely lime. Notes of granny smith apple and minerality, along with a nice acidity, balances the sweetness of this off-dry Riesling.

**EARTH, WIND AND VINES...**  
Eastern Washington may be remote, windswept and arid, but it's also one of the best places on earth to grow grapes. The Milbrandt family has worked this land for nearly six decades. Today, we farm our estate vineyards in the Columbia Valley using sustainable methods tailored to our unique terroir. We plant native cover crops to encourage beneficial wildlife and we farm each block independently to guarantee the character and authenticity of our wines.

### ABOUT MILBRANDT VINEYARDS

Initially apple and potato farmers, Butch and his brother Jerry put down agricultural roots in Eastern Washington long before 1997, the year they planted their first grapevines in the area now designated as the Wahluke Slope AVA. Fast forward two decades and the Milbrandt's are currently farming over ten distinct vineyard sites in the Wahluke Slope AVA and four vineyards to the north in the Ancient Lakes AVA. Now a multi-generational brand with Butch and his son Buck taking the lead, Milbrandt wines continue to deliver uncompromising quality - having earned more than sixty-five 90+ point ratings to date. Most recently, the 2015 Milbrandt Cabernet Sauvignon was awarded number 43 on Wine Spectator's Top 100 Wines of 2018, garnering a 91 point rating. A premium wine tier as well as an introductory wine tier is available nationwide.
